

GBH 18V-26 F

PLACEHOLDER — not an official Bosch datasheet
This is a generated placeholder containing typical specifications.

Product Information

Brand	Bosch Professional
Product Type	Cordless Rotary Hammer
Model	GBH 18V-26 F
Generated	2026-08-21

Technical Specifications

Specification	Value
Voltage	18V
Battery	18V Li-Ion 5.0 Ah
Chuck/Interface	SDS-plus
Max Torque	2.0 Nm
Strokes per Minute	0 - 3,600 rpm
Stroke Length	17 mm
Net Weight	2.2 kg

Key Features

- Cordless convenience
- Low vibration technology
- Ergonomic handle
