

PBH 2100 RE

PLACEHOLDER — not an official Bosch datasheet
This is a generated placeholder containing typical specifications.

Product Information

Brand	Bosch DIY
Product Type	Corded Rotary Hammer
Model	PBH 2100 RE
Generated	2026-08-21

Technical Specifications

Specification	Value
Power	550W
Chuck/Interface	SDS-plus
Max Torque	2.2 Nm
Strokes per Minute	0 - 3,000 rpm
Stroke Length	16 mm
Net Weight	2.5 kg

Key Features

- Universal compatibility
- Adjustable handle
- Compact design

This placeholder datasheet was generated for demonstration purposes.
